

**Dansville Fish & Game 2021 Youth Fishing Derby was a HUGE SUCCESS!** The Dansville Fish and Game Club Youth Fishing derby was attended by about 250 people. Approximately 150 children got the opportunity to fish. This was a free event. Fishing equipment, worms, and food were provided to the children.

**Mike Beardsley**, President of the Dansville Fish and Game Club, would like to thank the club members for their donations and memberships which support these activities. We would like to especially thank **Dansville McDonald's** for donating the food, **Finger Lakes Bait and Tackle** for donating the worms, **Boy Scouts troop 38 and Cub Scouts troop 71 for** cooking food and helping with parking.

**A special thanks** goes out to the following individuals who donated their time, money, and equipment to help the kids: John & Chris Chapman, Dave Hartman, Bob Ciecierrega, Damon Flick, Kim & Eric Maine, Christa Barrows, Rob Shepard, Dan Amico, Fred Miner, Ed Reich, Tina Peaty, Rob & Bob Stone, Jim, Jimmy, & Maddox Bennett and Karen & Mike Corbin. I apologize if we missed anyone.
