March Dinner will be the Annual Dansville Fish & Game Chili Cookoff. The club will be providing bread and butter. Kreag will be contacting the Chili masters from 2025 to be sure that we have an amazing selection once again in 2026.

2026 Dues is Due: Payment for Membership is due January 1st You may mail a check or pay conveniently online. <https://www.dfg-online.com/product-page/senior-renewal-membership> **Important Note on 2026**

Membership: 2026 Dues are \$50 annually. This is still the lowest cost membership of this caliber. Junior members age 17 and under still join for \$5 Annually.

Range Committee – Mike VanDurme has drafted a “Proposal for a Standing Range Committee.”

Scope: The “Range” at the Club referred to here includes the Skeet and Trap Ranges, the Handgun Range, the Rifle Range and all areas of the property used for shooting any type of firearms.

Suggested improvements cover safety aspects and the ability to provide access at various distances without interrupting other shooters.

Please contact Mike if you use these areas and have a desire to join the committee and help with this effort.

Facebook Pheasant Folks: 399 members and growing every month. Dansville Fish & Game applied to New York State for 250-day old chick pheasants in 2026. Last year we applied for 350 and were delivered 394. With new in-kind adult game birds being provided for activities that the club runs in conjunction with the DEC, we don't need to raise as many birds. This should help us to significantly reduce the cost of the birds and the feed that they will require in 2026 while still providing ample opportunity for club members, women, young people, first responders and veterans.

Pheasant Program Fund Raiser to help cover the costs of the pheasant program. Proposed prizes consist of Five Gun Fire Safes with capacities ranging from 57 long guns to 18 at the smaller end. Tickets are proposed to sell for \$5 each. Watch for more details.
